Responsible for helping with Lunch and Lunch Clean-up

On Arrival – Initial beside your name on the Work Duty Check-in sheet (found downstairs on Hayley's desk) and then proceed to the activities building across the parking lot upstairs.

During the 12-12:30pm Lunch Period:

- All students must remain downstairs in activities building during this time or outside on lawn, weather permitting – **there should be monitors in all three areas: Lunch room, gym and outside** (the children outside should stay in the lawn area between the chapel house and the activities building)
- All lunch monitors are to be attentive to the group as a whole. This will mean that the eating of your lunch will have to wait. Please be on your feet, making your presence known throughout the lunch time.
- Please don't allow the children to play roughly with one another – no physical contact is best.
- Remind students to clean/pick up their areas
- Approximately 12:25 pm is when the children should make their way back to the chapel building – please keep the children in and around the activities building until this time

12:30-1:15pm
